SECOND EDITION

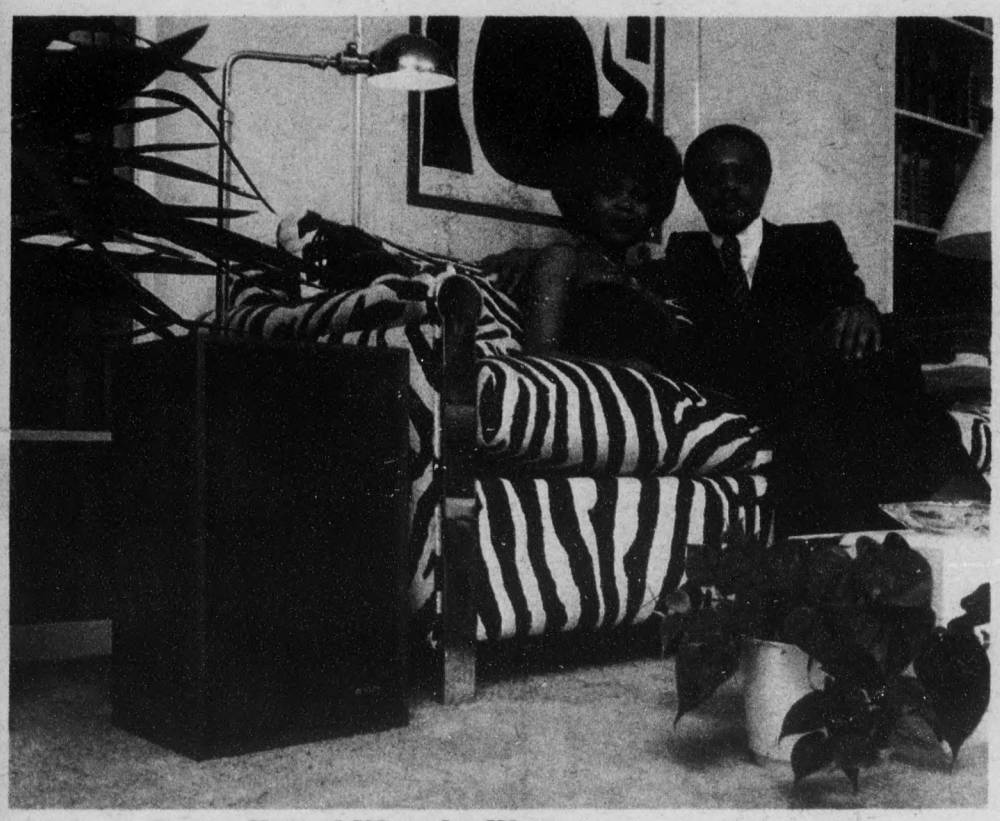
Bill Adams adjusts them for rock...

Cynthia Kelly adjusts them for classical...



Darrell and Marcia Morgan adjust them for jazz...

and Heather Dodge and Bob O'Connell adjust them for however they feel at the moment.

No two people are alike. And neither is their music. Some people revel in rock. And some find contentment with classical. While others jam to jazz. And then there are those who don't know them selves what they'll be listening to next.

The common denominator is the Jensen Lifestyle Speaker System. The uncommonly accurate speakers. Four of which feature easily accessible tone controls up front behind the grille. These controls let you customize the sound of your Lifestyle Speaker Systems to fit your music... your room... or your mood.

All down the line, Lifestyle Speaker Systems offer outstanding quality and features for excellent sound reproduction. Study the specs. Note the fullness of lows, highs, and midrange. Adjust the level controls. Appreciate their subtleties... and see for yourself how easy it is to adjust to good music.

When you take away the uniform and the lifestyle what have you got?

The Job.
The Coast Guard's involved in things like saving lives, fighting pollution, enforcing the law, and maintaining navigational systems. They're big jobs and they're important jobs. To the country and to the people who do them. And you could be involved in one of them after just 18 weeks in Officer Candidate School in Yorktown, Va.

As an officer in the Coast Guard you would be in a position of responsibility and leadership. It's a challenging job. One where you'll prove to yourself and others that the 4 years you spent in college were well worth it.

The Pay & Benefits.
As an Ensign in the Coast Guard, your starting salary will be over $10,000 a year. During your first 3 years, normal promotion and seniority will increase your salary by over 40%. Along with that come generous living allowances and benefits. Your medical and dental care is free. If you get married, your family also receives medical coverage. If you make the Coast Guard your career, you can apply for post-graduate training. And if you're selected, we'll pay your tuition plus keep you on full salary while you're attending school.

There's also a generous retirement plan if you stay with us for at least 20 years. That's something you won't find with many private companies.

The Opportunities.
The jobs the Coast Guard does are anything but ordinary. Which means that doing those jobs will pay off in training and experience that is anything but ordinary. You'll develop skills in management and leadership that will be invaluable to you and your career. Skills you can use whether you stay in the Coast Guard or not.

And you'll be able to travel. A Coast Guard Officer doesn't stay put. Your assignment could be in any of a variety of locations around the country or overseas.

The Future.
As with any job you're interested in now, the future has got to be an important consideration. Where's the job going to lead you? In the Coast Guard your future is, to say the least, expandable. Whether you make it a career or not, the experience and skills you'll develop will be hard to match anywhere else. The most important of which will be the skill of handling yourself in a management situation. Because that's what you'll be involved in on the first day of your job as a Coast Guard Officer. And when you've got that kind of experience, you can use it anywhere.

Blue Maguey cactus hearts ripe and ready for distilling at Tequila Cuervo's La Rojeña plant.

Since 1795 Cuervo Gold has been made in only one way. And in only one place.

Here in Tequila, progress doesn't always mean doing things easier or faster. It sometimes means doing things the same way we did them hundreds of years ago. Like creating Cuervo Gold.

For this reason, time-honored traditions still persist here. Persist in a time when quality and dedication are too often overlooked.

Here, under the knowing eye and scrutiny of the Cuervo family, the Blue Maguey is still pampered, nurtured and cultivated. Exactly as it's been done for over 182 years.

Here, the Maguey still flourishes amidst the rich volcanic soil and perfectly tailored climate of Tequila. A combination essential to the perfection of Cuervo Gold. And a combination unmatched anywhere else in the world.

Here too, Cuervo Gold is watched over and distilled until it accepts its pale amber hue and golden smooth taste. A beautiful transition that's been a rare tradition since 1795.

For all these reasons and more, Cuervo Gold is truly something special. Versatile and adaptable. With a taste beyond compare. Neat, on the rocks, with a splash of soda, in a perfect Sunrise or Margarita, Cuervo Gold will bring you back to a time when quality ruled the world.

Cuervo. The Gold standard since 1795.

ARMORY PROCEDURES

Priority for New Students and Special Problems

Newly admitted, reinstated and readmitted students who were unable to pre-register and those students meeting the criteria for Schedule II (see below) will have priority admission to the Armory. This priority access is designed to: 1) help eliminate the overcrowding in the Armory, 2) enable students who really need courses (new registrants and people with partial schedules) the opportunity to register first, and 3) encourage students to take advantage of pre-registration and thus avoid the necessity of going to the Armory.

SCHEDULE I — Newly admitted, readmitted, and reinstated students
Monday, August 22, 1977 — 8:30 a.m. to 3:55 p.m.

This schedule will apply to newly admitted, readmitted, and reinstated students. Students in this category should report directly to Reckord Armory according to the alphabetic schedule. Newly admittmed students must present their Letter of Admission, signed by their Provost, Dean, or designated representative, to be permitted to enter the Armory. Readmitted students must present their Letter of Readmission and reinstated students must present their Letter of Reinstatement to be permitted to enter the Armory. While advisement is not a prerequisite for Armory admission for Readmitted and Reinstated Students, these students are strongly urged to take advantage of campus advisement offices. Only students who had no opportunity to pre-register may register according to this schedule.

SCHEDULE II — Partially Scheduled Pre-Registrants
Monday, August 22, 1977 — 4:00 p.m. to 6:00 p.m.

This schedule will apply to students who request 9 or more credits in pre-registration but receive 8 or less and to students who request 8 credits or less and do not receive the number they request. Students in this category will be notified of their eligibility for Schedule II by a message on their Class Schedule Card. This schedule containing the message indicating eligibility and the semester Registration Card will permit students to enter Reckord Armory according to the published alphabetic sequence. Excluded from this category are students who requested 8 or less credits and received the number of credit hours they requested.

SCHEDULE III — All other students
Tuesday, August 23, 1977 — 8:30 a.m. to 6:00 p.m.

This schedule will apply to all other students not included in the first two categories. Students who were registered for Spring, 1977 but did not pre-register for Fall, 1977 will be included in this category. Students under this category should report, according to alphabetic schedule, to the Armory.

Students are expected to enter the Armory according to the schedule published in this Schedule of Classes. Any student attempting to enter the Armory at a time other than the one assigned will be considered to be violating General University Regulations, specifically, the "General Statement — Student Responsibility." The University Regulation states "Students are expected to conduct themselves at all times in a manner consistent with the University's responsibility of ensuring to all members of the University the opportunity to pursue their educational objectives and of protecting the safety, welfare, rights, and property of all members of the University itself." *Such cases will be referred to the University Judiciary Board for appropriate action.*

USING THE SECOND EDITION

The **SECOND EDITION** of the Schedule of Classes should be used **AFTER PRE-REGISTRATIONS SCHEDULES ARE MAILED.** The second edition reflects changes made to course offerings since the first edition was printed. It shows courses and/or sections added and omits courses and/or sections deleted since the first edition. Thus courses may appear on the Registration Schedule Card that exist but that did not appear in the first edition.

The **FIRST EDITION** of the Schedule of Classes should be used only **DURING PRE-REGISTRATION.** Sections or courses may be cancelled and/or added as a result of class enrollment trends observed during Pre-registration.

DEADLINES FOR GRADUATE STUDENTS AND PART-TIME UNDERGRADUATES

Full-time undergraduate students do not receive a refund for courses dropped if the total number of credits for which they are registered remains 9 or more.

PRIOR TO THE 1st DAY OF CLASSES (AUGUST 22, 23), if a full-time undergraduate student drops a course or courses, thereby changing the total number of credits for which he is registered to *8 or less,* charges for the semester will be assessed on the basis of the per credit hour fee for part-time students.

However, if the student subsequently adds a course or courses, thereby changing the total number of credits for which he is registered to *9 or more,* the student will be billed for the difference between per credit hour fees paid and the general fees for full-time undergraduates.

ON THE 1st DAY OF CLASSES (AUGUST 24 OR AFTER), if a full-time undergraduate drops a course or courses, thereby changing the total number of credits for which he is registered to *8 or less,* charges for the semester will be assessed on the basis of the full-time general fees. That is, there is no refund for changing from full-time to part-time status on the first day of classes or later. If the student has already made payment as a full-time student, no refund will be processed. If the student has not made payment he will be billed for the full-time undergraduate fees.

IN OTHER WORDS, if at any time on or after the first day of classes, a student is registered for *9 credits or more* he will be billed on the basis of the full-time undergraduate fees.

SEPTEMBER 8 AND AFTER— $2.00 fee is assessed for *each* drop processed (to be billed).

REFUND SCHEDULE FOR DROPPING COURSES
GRADUATE STUDENTS AND PART-TIME UNDERGRADUATES

Both graduate students and part-time undergraduates are charged by the credit hour. A percentage charge and/or complete charge for the course may be imposed if the deadlines indicated below are not followed:

1. August 22, 23 (prior to the first day of classes).....100% refund
There will be no charge for courses *dropped* on these two days.
2. August 24-30 (first five days of class).....80% refund
There will be a 20% charge imposed for courses *dropped* during this period.
3. August 31 and after .....0% refund
Students will incur full charges for courses *dropped* during this period.
4. September 8 and after: a $2.00 charge is imposed for *each* drop processed (to be billed).

Students who wish to drop one course and add another at the same credit level should accomplish both transactions on the *same day* to insure additional charges are not imposed.

NOTE: A drop of one course and a credit level change of equal amount in another course, even if accomplished on the same day, *is not* considered an "even exchange" and appropriate charges for both courses will be imposed.

IDENTIFICATION CARDS

New Photo Transaction Cards will not be issued to students who currently have them.

Students who pre-register for the Fall 1977 session will receive a new Registration Card along with their Class Schedule. This card will validate their Photo Transaction Card. Both cards should be carried at all times.

Students who do not pre-register will receive identification cards when they do register.

Together the Photo Transaction Card and Registration Card can be used by all students to withdraw books from the libraries, for admission to most athletic, social, and cultural events, and as a general form of identification on campus. Students who have food service contracts must use the Photo Transaction Card for admission to the dining halls.

Questions concerning the identification system should be addressed to the Office of Registrations (454-5365).

FOOD SERVICE IDENTIFICATION CARDS

The University no longer issues a separate ID card for food service. Those students with board contracts may use their Photo/Transaction Cards for admission to the dining halls.

POLICY OF THE UNIVERSITY OF MARYLAND ON ACCESS TO AND RELEASE OF STUDENT DATA/INFORMATION

General Statement

The University of Maryland has the responsibility for effectively supervising any access to and/or release of official data/information about its students. Certain items of information about individual students are fundamental to the educational process and must be recorded. This recorded information concerning students must be used only for clearly-defined purposes, must be safeguarded and controlled to avoid violations of personal privacy, and must be appropriately disposed of when the justification for its collection and retention no longer exists.

In this regard, the University is committed to protecting to the maximum extent possible the right of privacy of all individuals about whom it holds information, records and files. Access to and release of such records is restricted to the student concerned, to others with the student's written consent, to officials within the University, to a court of competent jurisdiction and otherwise pursuant to law.

Access

All official information collected and maintained in the University identifiable with an individual student will be made available for inspection and review at the written request of that student subject to certain exceptions.

For purposes of access to records at the University of Maryland, a student enrolled (or formerly enrolled) for academic credit or audit at any campus of the University shall have access to official records concerning him on any campus on which he is or has been enrolled.

The personal files of members of the faculty and staff which concern students, including private correspondence, and notes which refer to students, are *not* regarded as official records of the University. This includes notes intended for the personal use of the faculty and never intended to be official records of the University.

A request for general access to all official records, files and data maintained by a campus, must be made in writing to the coordinator of records or to other person(s) as designated by the Chancellor at that particular campus. A request for access to official data maintained in a particular office may be made to the administrative head of that office.

When a student (or former student) appears at a given office and requests access to the University records about himself,

1. The student must provide proper identification verifying that he is the person whose record is being accessed.
2. The designated staff person(s) must supervise the review of the contents of the record with the student.
3. Inspection and review shall be permitted within a period not to exceed 45 days from the date of the student's request.
4. The student will be free to make notes concerning the contents but no material will be removed from the record at the time.

Under normal circumstances, the student is entitled to receive a copy only of his permanent academic record. A reasonable administrative fee may be charged for providing copies of this or other items.

Record keeping personnel and members of the faculty and staff with administrative assignment may have access to records and files for internal educational purposes as well as for routinely necessary clerical, administrative and statistical purposes as required by the duties of their jobs. The name and position of the official responsible for the maintenance of each type of educational record may be obtained from the coordinator of records or other person appointed by the Chancellor on each campus.

Any other access allowed by law must be recorded showing the legitimate educational or other purpose and the signature of the person gaining access. The student concerned shall be entitled to review this information.

Release of Information

Except with the prior written consent of the student (or former student) concerned, or as required by federal and state law, no information in any student file may be released to any individual (including parents, spouse, or other students) or organization with the exception of information defined as "Public Information."

When disclosure of any personally identifiable data/information from University records about a student is demanded pursuant to court order or lawfully issued subpoena, the staff member receiving such order shall immediately notify the student concerned in writing prior to compliance with such order or subpoena.

Data/information from University records about students will be released for approved research purposes only if the identity of the student involved is fully protected.

A record will be kept of all such releases.

Information from University records may be released to appropriate persons in connection with an emergency if the knowledge of such information is necessary to protect the health or safety of a student or other persons.

Letters of Appraisal

Candid appraisals and evaluations of performance and potential are an essential part of the educational process. Clearly, the provision of such information to prospective employers, to other educational institutions, or to other legitimately concerned outside individuals and agencies is necessary and in the interest of the particular student.

Data/information which was part of University records prior to January 1, 1975 and which was collected and maintained as confidential information, will not be disclosed to students. Should a student desire access to a confidential letter of appraisal received prior to January 1, 1975, the student shall be advised to have the writer of that appraisal notify, in writing, the concerned records custodian of the decision as to whether or not the writer is willing to have the appraisal made available for the student's review. Unless a written response is received approving a change of status in the letter, the treatment of the letter as a confidential document shall continue.

Documents of appraisal relating to students collected by the University or any department or office of the University on or after January 1, 1975 will be maintained confidentially only if a waiver of the right of access has been executed by the student. In the absence of such a waiver, all such documents will be available for student inspection and review.

All references, recommendations, evaluations and other written notations or comments, originated prior to January 1, 1975, where the author by reason of custom, common practice, or specific assurance thought or had good reason to believe that such documents and materials would be confidential, will be maintained as confidential, unless the author consents in writing to waive such confidentiality.

If a student files a written waiver with the department or office concerned, letters of appraisal received pursuant to that waiver will be maintained confidentially. Forms will be available for this purpose.

Challenges to the Record

Every student shall have the opportunity to challenge any item in his file which he considers to be inaccurate, misleading or otherwise inappropriate data. A student shall initiate a challenge by submitting a request in writing for the deletion or correction of the particular item. The request shall be made to the custodian of the particular record in question.

If the custodian and the student involved are unable to resolve the matter to the satisfaction of both parties, the written request for deletion or correction shall be submitted by the student to the coordinator of records, or other such person as designated by the Chancellor, who shall serve as the hearing officer. The student shall be given the opportunity for a hearing, at which the student may present oral or written justification for the request for deletion or correction. The hearing officer may obtain such other information as he deems appropriate for use in the hearing and shall give the student a written decision on the matter within thirty (30) days from the conclusion of the hearing. If the decision of the hearing officer is to deny the deletion or correction of an item in the student's file, the student shall be entitled to submit a written statement to the hearing officer presenting his position with regard to the item. Both the written decision of the hearing officer and the statement submitted by the student shall be inserted in the student's file. The decision of the hearing officer shall be final.

Grades may be challenged under this procedure only on the basis of the accuracy of their transcription.

Exceptions to the Policy

It is the position of the University that certain data/information maintained in various offices of the University is not subject to the provisions of this policy with regard to inspection, review, challenge, correction or deletion.

(a). Statements submitted by parent/guardian or spouse in support of financial aid or residency determinations are considered to be confidential between those persons and the University, and are not subject to the provisions of this policy except with the written consent of the persons involved. Such documents are *not* regarded as part of the student's official record.

(b). University employment records of students are not included in this policy, except as provided under Article 76A of the Annotated Code of Maryland.

(c). With regard to general health data, only that data/information which is used by the University in making a decision regarding the student's status is subject to review by the student under this policy. Written psychiatric or psychological case notes which form the basis for diagnoses, recommendations, or treatment plans remain privileged information not accessible to the student. Such case notes are not considered to be part of official University records. To ensure the availability of correct and helpful interpretations of any psychological test scores, notes or other evaluative or medical materials, the contents of these files for an individual student may be reviewed by that student only in consultation with a professional staff member of the specific department involved.

(d). Records relating to a continuing or active investigation by the campus security office, or records of said office not relating to the student's status with the University are not subject to this policy.

(e) No student is entitled to see information or records that pertain to another student, to parents, or to other third parties. A student is entitled to review only that portion of an official record or file that pertains to him or her.

STUDENTS RECEIVING FINANCIAL ASSISTANCE

Students on scholarships and grants are expected to *maintain* a semester credit load of 14 hours. If the registration of a student with a scholarship or grant falls below the required credit hours, the scholarship or grant is automatically cancelled. Cancellation of a scholarship or grant without subsequent payment of amounts due will lead to an indebtedness to the University. Such indebtedness can in turn lead to severance of services by the University.

Students sponsored by an agency or their employer remain responsible for their fees. When payment is not received by the University from the sponsor, the student will be charged.

REFUND POLICY FOR MATH 001

1. Effective Fall 1975 a part-time or full-time undergraduate who drops Math 001 will receive a percentage refund of the $75.00 fee in accordance with the sliding scale printed in the Schedule of Classes under "Deadlines for Graduate Students and Part-time Undergraduates" which calls for a full 100% refund if the course is dropped prior to the first day of classes, an 80% refund if the course is dropped during the first five (5) days of classes, and 0% thereafter.

2. A student withdrawing from the University will receive a percentage refund based on the sliding scale printed in this Schedule of Classes under "Cancellation and Withdrawal Dates for Refund of Tuition."

3. Math 001 will still be counted in the determination of hours for full-time or part-time status, notwithstanding the refund policy.

REFUND POLICY FOR COOP 208, 209, and ENCO 408, 409

1. Effective Fall 1975 a part-time or full-time undergraduate student who drops COOP 208, 209, or ENCO 408, 409 will receive a percentage refund of the fee paid in accordance with the sliding scale printed in the Schedule of Classes under "Deadlines for Graduate Students and Part-Time Undergraduates" which calls for a full 100% refund if the course is dropped prior to the first day of classes, an 80% refund if the course is dropped during the first five (5) days of classes, and 0% thereafter.

FEES AND EXPENSES

Returning students will not be permitted to complete registration until all financial obligations to the University including library fines, parking violation assessments and other penalty fees and service charges are paid in full.

Although the University regularly mails bills to students, it cannot assume responsibility for their receipt. If any student does not receive a bill on or before the start of each semester, it is his/her responsibility to obtain a copy of the bill by coming to Room 1103, South Administration Building, between the hours of 8:30 a.m. and 4:15 p.m., Monday through Friday.

All checks or money orders should be made payable to the University of Maryland for the exact amount due. The student's social security number must be written on the check. In cases where the University has awarded a grant, scholarship, or workship, the appropriate amount will be deducted on the bill, mailed approximately one month after the start of the semester.

Students will be severed from University services for delinquent indebtedness to the University which occurs or is discovered during a semester. In the event that severance occurs, the individual may make payment during the semester in which services were severed and all these services except housing will be restored. Students removed from housing because of delinquent indebtedness will be placed at the bottom of the waiting list after the financial obligation is satisfied and after reapplying for housing. Students who are severed from University services and who fail to pay the indebtedness during the semester in which severance occurs will be ineligible to pre-register or register for subsequent semesters until the debt is cleared. In the event of actual registration in a subsequent semester by a severed student who had not settled the student account prior to that semester, such registration will be cancelled and no credit will be earned for the semester.

In accordance with State law, the accounts of delinquent and severed students are referred to the State Central Collections Unit in Baltimore for collection and legal follow-up. Costs incurred in collecting delinquent accounts are charged to the student. Collection costs are normally 15% plus any attorney and/or court fees.

No degree will be conferred, no grade issued, nor any diploma, certificate, or transcript of record issued to a student who has not made satisfactory settlement of his or her account.

AN IMPORTANT FEE NOTICE —
Although changes in fees and charges ordinarily will be announced in advance, the University reserves the right to make such changes without prior announcement.

EXPLANATION OF MANDATORY FEES

The Application Fee for the undergraduate programs and the summer sessions partially defrays the cost of processing applications for admission accepted in lieu of the matriculation fee. Applicants who have enrolled with the University of Maryland in University College at College Park or Baltimore, or at one of its off-campus centers are not required to pay the fee since they have already paid a matriculation fee.

The Fixed Charges Fee is charged to help defray the cost of operating the University's program at College Park.

The Instructional Materials Fee represents a charge for instructional materials and/or laboratory supplies furnished to students.

The Athletic Fee is charged for the support of the Department of Intercollegiate Athletics. All students are encouraged to participate in all of the activities of this department or to attend the contests if they do not participate.

The Student Activities Fee is a mandatory fee included at the request of the Student Government Association. It is used in sponsoring various student activities, student publications, and cultural programs.

The Recreational Facilities Fee is paid into a fund which will be used to expand the recreational facilities on the College Park campus, especially the Student Union Building.

The Auxiliary Facilities Fee is paid into a fund which is used for expansion and operation of various facilities such as roads, walks, campus lighting and other campus facilities. These facilities are not funded or are funded only in part from other sources.

The Student Health Fee is paid by all full-time students (9 credits or more, Graduate or Undergraduate), every semester — $10.00; and all part-time students (8 credits or less, Graduate or Undergraduate), every semester — $5.00. Full-time employees and staff may not use Health Service Facilities and are not charged the Student Health Fee. Graduate Assistants are not full-time employees.

Registration Fee: $5.00. Charged to all registrants each semester.

OTHER FEES

Application Fee: $15.00
Pre-College Orientation Program Registration Fee: $31.00 (two day program)
$18.00 (one day program)
$ 6.00 (early arrival)
$10.00 (per parent)

Late Application Fee: $25.00

Room Deposit Fee: payable upon application for dormitory room: $50.00 (To be deducted from the second semester room charges at or after registration.)

Vehicle Registration Fee: $12.00 for first vehicle and $3.00 for each additional vehicle in accordance with published regulations. Payable each academic year by all students registered for classes on the College Park Campus and who drive on campus. For cars registered for the spring semester only the fee is $6.00 on the first car and $3.00 for each additional vehicle.

Special Fee for students requiring additional preparation in Mathematics (MATH 001) per semester: $75.00 (Required of students whose curriculum calls for MATH 110 or 115 and who fail in qualifying examination for these courses.) This Special Math Fee is in addition to course charge. Students enrolled in this course and concurrently enrolled for 6 or more credit hours will be considered as full-time students for purposes of assessing fees. Students taking only MATH 001 pay for 3 credits plus $75. A 3 credit course plus MATH 001 results in a charge for 6 credits plus $75. A full-time student pays full-time fees plus $75.

Fees for Auditors and courses taken for audit are the same as those charged for courses taken for credit to determine whether or not an undergraduate student is full-time or part-time for fee assessment purposes.

Special Students are assessed fees in accordance with the schedule for the comparable undergraduate classification.

Late Registration Fee: $20.00. All students are expected to complete their registration, including the filing of Schedule Adjustment Forms on the regular registration days. Those who do not complete their registration during the prescribed days must pay this fee.

Withdrawal or Refund of Fees: Any student compelled to leave the University at any time during the academic year should file an application for withdrawal, bearing the proper signature, in the Office of Registrations. If this is not done, the student will forfeit his right to any refund to which he would otherwise be entitled. The date used in computing refunds is the date the application for withdrawal is filed in the Office of Registrations.

Stopping payment on a check does not constitute an official withdrawal.

A request for a refund must be processed by the student with the Division of Business Services, *otherwise* any student account credit will automatically be carried over to the next semester.

In the case of a minor, withdrawal will be permitted only with the written consent of the student's parent or guardian.

Full-time students withdrawing from the University will be credited for all academic fees charged to them in accordance with the following schedule:

Period from Date Instruction begins	*Refundable* *
Two weeks or less	80%
Between two and three weeks	60%
Between three and four weeks	40%
Between four and five weeks	20%
Over five weeks	00%

* *Refund is based on a percentage of* **tuition only.**

No part of the charges for room and board is refundable except when the student officially withdraws from the University or when he is given permission by the appropriate officials of the University to move from the residence halls and/or to discontinue dining hall privileges. In these cases, the room refund will be computed by multiplying the number of periods remaining times the pro rate weekly rate. The $20.00 service charge may be assessed when applicable. Refunds to students having full board contracts will be calculated in a similar manner. No room and/or board refunds will be made after the fourteenth week of the semester.

The Food Service Identification Cards (FSID) must be surrendered to the Office of Registrations before any refund will be processed.

In computing refunds to students who have scholarships and loans from University funds, the computation will be made in such a way as to return the maximum amount to the scholarship and loan accounts without loss to the University.

A student who registers as a full-time undergraduate will receive no refund of the General Fee when courses are dropped (irrespective of the number of credit hours dropped) unless the student withdraws from the University. Hence, a student changing from full-time to part-time after the first day of classes receives no refund.

A student who registers as a part-time undergraduate student will be given an 80% refund of the credit hour fee for courses dropped during the first week of classes. No refund will be made for courses dropped thereafter.

A special refund schedule applies to full-time students who are called up as Reservists for military service.

Property Damage Charge: Students will be charged for damage to property or equipment. Where responsibility for the damage can be fixed, the individual student will be billed for it; where responsibility cannot be fixed, the cost of repairing the damage or replacing equipment will be prorated among the individuals involved.

For checks up to $50.00: $5.00
For checks from $50.01 to $100.00: $10.00
For checks over $100.00: $20.00

When a check is returned unpaid, the student must redeem the check and pay any outstanding balance in the account within 10 days or all University services may be severed and the account transferred to the state Central Collection Unit for legal follow-up. Additionally, a minimum 15% collection charge is added to the charges posted to the student's account at the time the transfer is made.

VETERANS BENEFITS

Students attending the University under the Veteran's Education Assistance Act (Title 38, U.S. Code) who completed Pre-registration will be certified on the basis of pre-registration course requests. This certification should be verified by the student at the Registrations Office, Room 1130, North Administration Building, 9:00 a.m. to 4:00 p.m., Monday through Friday.

ENROLLMENT CERTIFICATION AND VA PAYMENTS

1. *How to compute payments based on enrollment status*

Undergraduate student enrollment status is based on the number of credits for which the student is registered. Graduate student enrollment status is based on the number of units for which the student is registered. Courses taken as "AUDIT" cannot be counted toward credit for graduate or undergraduate students. Charges are the same for audit and for credit courses.

TABLE FOR COMPUTING GRADUATE UNITS

000-399	2 Units per credit
400-499	4 Units per credit
500-599	5 Units per credit
600-898	6 Units per credit
799	12 Units per credit
899	18 Units per credit

Graduate Students will not be certified for any course below the 400 level unless it is required by their department and a letter stating this is approved by Mr. Seidel in the Graduate School and submitted to the Veteran's Affairs Office when registering.

2. Table for payment during the Fall and Spring Semesters

Credits for Undergraduates	*Units Graduate Students*	*Status*	*Table for VA Fees for Undergraduate & Graduate* *Single*	*Married*	*1 Child*	*Other*
12 or more	48	Full time	$292	$347	$396	$24
9-11	36	¾ time	219	260	297	18
6-8	24	½ time	146	174	198	12
5 and under	12	¼ time	TUITION ONLY			

Active Duty/Less than Half-Time: Tuition and fees, not to exceed $292 for full-time; $219 for three-quarter time; $146 for half-time or less-than-half but more than one-quarter time; $73 for quarter-time or less.

Additional changes are:

a. Increases months of entitlement from 36 to 45 months provided your original entitlement was 36 months. The 45 months are *not limited* to pursuit of a standard undergraduate degree.

NOTE: There has not been any extension of the ten year delimiting date.

b. Increases tutorial assistance to $65.00 per month and the maximum to $780.00

3. *Graduate Assistants*

Graduate students who are graduate assistants will be certified full time if their assistantship is confirmed in writing by Graduate School and they are taking 24 units. This must be done each semester. Please note . . . the Veterans Administration's definition of "full time" for Graduate Assistants differs from the University of Maryland definition and should be used only for VA purposes.

4. *Veterans Responsibility*

It is the responsibility of veterans and dependents receiving V.A. benefits to notify the University V.A. Certification Office of every change of course or program at the time the change is submitted to the University. This includes the following:

a. Drops, Adds or Section Changes
b. Credit Level or Grade Option Change
c. Change of Major or Division/College
d. Change of Address
e. Graduation
f. Academic Dismissal/Reinstatement Actions
g. Intent to Transfer from UMCP

FAILURE TO NOTIFY THIS OFFICE CAN IMPACT ADVERSELY ON RECEIPT OF BENEFITS.

PROTECTION OF PRIVACY INFORMATION

Public Law 93-579 entitled the Privacy Act of 1974 requires that all claimants be informed of the purposes and uses to be made of the information which is solicited. The following is furnished to explain the reason why the information is requested and the general uses to which that information may be put.

AUTHORITY: The Veterans Administration is empowered to solicit the information requested in this form under the authority of Title 38, United States Code.

PURPOSE: The information requested by this form is considered relevant and necessary to determine maximum entitlement to the benefit for which you have applied.

USES: The information will be used in your best interests in determining eligibility to the maximum benefits allowable by law. The responses which are submitted may be disclosed as permitted by law outside the Veterans Administration.

EFFECTS OF NON-DISCLOSURE: Disclosure of the requested information is voluntary. No penalty will be imposed for failure to respond. However, the decision as to entitlement for the benefit you are claiming must then be made on the basis of the available evidence of record. This may result in a delay in the processing of the claim, payment of less than maximum benefits, or complete disallowance of your claim. Failure to provide information in connection with the benefit currently being sought will have no detrimental effect on any other benefit to which you are entitled.

per VA Form 20-8739 July 1975

VETERANS COUNSELING

Under a new program, two Veterans Administration counselors, Alexia McKissic and David M. Rhoads, now work on campus full time to assist veterans, their dependents, and service personnel with all VA related questions and problems. These representatives can offer you help in getting your monthly educational assistance checks as well as other less well known but available benefits.

The counselors are available on a walk-in basis during normal office hours in Rooms 1130 or 2108M North Administration Building (454-5276 and 454-5734).

GENERAL REQUIREMENTS

Effective August 1973, new GENERAL UNIVERSITY REQUIREMENTS replaced the General Education Requirements. Students enrolled in the University prior to August 1973 have the option of completing either the old General Education Requirements or the new General University Requirements. *All students first entering the University in August 1973 or after must complete the new General University Requirements.*

GENERAL UNIVERSITY REQUIREMENTS (G.U.R.)

GENERAL UNIVERSITY REQUIREMENTS consist of 30 semester hours of credit distributed as described below:

I. At least 6 credits must be taken in each area. At least 9 of the 30 semester hours must be taken at the 300 level or above. None of the 30 hours may be counted toward published departmental, college or divisional requirements for a degree. Students may select either the pass-fail or letter grading option for these courses as outlined in this Schedule (see PASS-FAIL OPTION DEFINED).

Area A: 6-12 hours elected in the Divisions of Agricultural and Life Sciences; Mathematical & Physical Sciences & Engineering.

Area B: 6-12 hours in the Divisions of Behavioral and Social Sciences: Human and Community Resources.

Area C: 6-12 hours in the Division of Arts & Humanities.

In meeting these area requirements, students may choose from among any undergraduate courses for which they are qualified. Students are urged to consult with academic advisors for guidance in determining which courses in each area best fit individual needs and interests.

II. Demonstration of competency in English composition. Unless the student has been exempted from English composition, at least one course in this subject will be required. Exemption is granted if the student earns an acceptable SAT Verbal or English Advanced Placement Test score (score announced annually), or by satisfactory completion of a similar course at another institution. Students taking a course to satisfy this requirement may apply the credits toward the 30-hour General University Requirement but may not count these credits toward the satisfaction of the minimum 6-hour requirement in any of the three designated areas. Credit for such a course may be in addition to the 12-hour maximum in any area.

To further define "area" this chart has been prepared by the Advisor's Workshop. On the chart is listed the prefix of all courses offered on the College Park campus. The prefixes are listed according to which area (A, B, or C) of the General University Requirements they will meet.

Area A	Area B	AreaC
Ag. & Life Sci. I Math & Phy. & Engin. II	Behav. & Soc. Sci. III Hum. & Comm. Res. V	Arts & Hum. IV

Students under the new University Requirements will receive credit toward graduation for all PHED courses.

GENERAL EDUCATION REQUIREMENTS (G.E.R.)

These requirements are applicable *only* to students whose first semester at the University of Maryland was prior to August 1973 and who choose to complete these General Education Requirements rather than the new General University requirements.

For students electing to satisfy the old General Education Requirements, the following specific courses may be used (course descriptions appear in the Consolidated Undergraduate Catalog). In addition, a student may (within the limits of his particular curriculum) satisfy a General Education requirement in each category with any designated course for which he is eligible by placement examination, department evaluation, etc. Additional information may be obtained from the Office of the Dean for Undergraduate Studies, Room 1115 Undergraduate Library (X 2530-2531).

HEALTH AND PHYSICAL EDUCATION

Two (2) physical activity courses, and one Health Education course (HLTH 105) are required of both men and women students.

If students under the old General Education Requirements now take a basic PHED course (100A — 177Z), they will receive credit toward graduation for that course only if it is in addition to their two required PHED courses.

Health Education is required but does not count toward hours needed for a degree program.

FOREIGN LANGUAGE PLACEMENT

ARTS AND HUMANITIES REQUIREMENTS: If a student has had three years of one foreign language or two years in each of two foreign languages as recorded on his high school transcript, he is not required to take any foreign language in the division, although he may elect to do so.

However, the College of Journalism requires completion either by course work or placement, of any intermediate language level (104, 115). The School of Architecture has no foreign language requirement.

FRENCH DEPARTMENT: Students who have had at least two years or more of high school French are normally expected to enroll in French 104 (Intermediate French), but may (as the result of placement) take French 103 (Elementary French Review). Students with less than two years of high school French or with a five-year gap in their French studies may take French 101. Admission to French 102 is limited to those who have completed 101 at the University of Maryland, College Park. Transfer students with some college French should consult the department for placement. A departmental placement examination will be given to *all* students in levels 101 through 104 to ensure proper language placement. The examination will be administered in the language laboratory of the Language Media Center from 8:00 a.m. to 3:00 p.m., Monday, August 22 through Friday, August 26. The examination may be taken during those times at the student's convenience. CEEB French Achievement test scores will be accepted on an equivalent basis with the placement exam.

GERMAN DEPARTMENT: Students who have had two or more years of high school German are required to take the placement exam unless they have taken the CEEB German Achievement test and the results have been forwarded to the University. German students placing below German 113 are required to take German 111 and German 112 before continuing with German 114 and 115.

SPANISH DEPARTMENT: Students who have had at least two years of high school Spanish, and who wish to continue or resume their study of that language, are urged to take the Placement Exam if (1) they feel uncertain of their ability to take Spanish 104, or (2) they wish to be exempted from Spanish 104.

Students who have taken the CEEB Spanish Achievement Test should submit their achievement scores in lieu of taking the University's Placement exam.

A student with two or more years of high school Spanish may take Spanish 101 for credit provided he obtains the permission of the Chairman of the Department. Students starting in Spanish 101 must follow the prescribed sequence of Spanish 101, 102, and 104.

Students who feel uncertain of their ability to take Spanish 104 may choose to take Spanish 103 (a one semester review course) without taking the University Placement exam.

Spanish students placing in 103 must complete 104 to satisfy the divisional language requirement. Students placing in 104 are required to complete 104 only. Students placing above 104, or who have taken the equivalent of 104 at another institution, are deemed to have satisfied the language requirement.

FOREIGN LANGUAGE PLACEMENT EXAM SCHEDULE

During the Fall 1977 semester there will be placement testing in Room 0106, Shoemaker Building at 3:30 p.m. every Thursday. To be admitted for testing, students must have a picture I.D.

Testing during Fall Registration is scheduled for Monday, August 22, 1977 at 3:30 p.m. in Room 0106, Shoemaker Building. Bring a picture I.D. in order to be admitted.

A GUIDE TO THE RETENTION PLAN

The material printed below is meant to illustrate graphically certain provisions of the academic RETENTION PLAN. It can serve, for both new and experienced students, as a guide for schedule planning and schedule change. It is *not* meant as a substitute for a thorough reading of "Requirements for Retention and Graduation," as found elsewhere in this Schedule or in the Undergraduate Catalog. This material was prepared by Dr. Joseph F. Metz, Jr., Assistant Dean for Undergraduate Studies, and the staff of the Undergraduate Advisement Office.

TABLE I

The College Park Retention Plan is based on (1) QUALITY POINTS *and* (2) CUMULATIVE AVERAGE. Here's how to compute both.

(1) QUALITY POINTS (Q.P.'s): For each semester, Q.P.'s are awarded for grades of A, B, C, D, P, and S. To figure how many Q.P.'s you have earned, or expect to earn, for each of your courses, do the following:

Q.P.'s given for expected or Actual Grade			Number of Credits in The Course	=	Total Quality Points for the Course
	A= 4 B= 3 C= 2 P= 2* S= 2* D= 1 F= 0	×			

EXAMPLE: Semester Schedule of 15 Credits —

Course	*Grades*	*Credits Earned*	*Q.P.'s*
ENGL 101	C	3	6
MATH 110	B	3	9
ZOOL 101	A	4	16
EDIN 101	P*	2*	4*
PSYC 100	D	3	3
		15	38

*These count only in figuring your Q.P.'s for the semester. They are not counted in your cumulative average.

(2) CUMULATIVE AVERAGE: Your cumulative average is based on TOTAL CREDITS ATTEMPTED — Any course you've ever taken at any of the University campuses for which you've been assigned a Grade of A, B, C, D, or F — and the TOTAL NUMBER OF QUALITY POINTS you've earned for these courses. (See Note below for Repeated Courses). Courses for which a Grade of "P" or "S" has been assigned are NOT included. To figure your cumulative average do the following:

NUMBER OF Q.P.'s EARNED	÷	NUMBER OF CREDITS ATTEMPTED	=	CUMULATIVE AVERAGE

EXAMPLE: Semester Schedule of 15 Credits (See Example Above)

Course	*Grades*	*Credits Attempted*	*Q.P.'s*	*Cumulative Average*
ENGL 101	C	3	6	
MATH 110	B	3	9	
ZOOL 101	A	4	16	Q.P.'s Earned — 118
EDIN 101	P	(2)	(4)	÷
PSYC 100	D	3	3	Credits Attempted — 40
Current Semester Totals		13	34	=
Previous Semester Totals		27	84	2.95
Total Credits		40	118	

NOTE: If you repeat a course that you took in the Fall Semester, 1973, or any semester since then, count only credits and quality points for the higher grade received for that course when figuring total credits attempted and total quality points.

TABLE II

MINIMUM QUALITY POINT REQUIREMENT:
If, at the end of Schedule Adjustment Period (First 10 days of classes) You are officially registered for:

12 or more credits	11-9 credits	8-1 credits
You must earn for this semester a minimum of:		
24 Quality Points (On grades of A, B, C, D, P, and S. Marks of F, W, and I do not confer Quality Points) Note: See Table III, below for exceptions	22 Q.P.'s for 11 credits 20 Q.P.'s for 10 credits 18 Q.P.'s for 9 credits	For part-time students there is no minimum quality point requirement. Note: If you have completed 45 credits, you must fulfill the cumulative average requirement, below.

CUMULATIVE AVERAGE REQUIREMENT:

If at the end of last semester, your total number of credits completed was 45* or more, then at the end of this semester you must have:

The Minimum Quality Point Requirement (Full-time Students — 9 or more credits)	*and*	A Cumulative Grade Point Average of 1.95 (Full-time *and* Part-time Students)

+On your grade report for last semester, add "hrs. attempt." *and* "transfer credit level" and pass-fail courses to see if you have 45 or more.

Credits completed with grades of A, B, C, D, and F, but not S, W, P, or I will be used in the computation of the cumulative average.

If these requirements are not met, Academic Probation will result. Two consecutive or four non-consecutive semesters of Academic Probation will result in Academic Dismissal.

TABLE III

Are you registering at the College Park Campus for the *First Time*? If so, then here's what you need to earn in your first semester for the Retention Plan:

A. FULL-TIME FRESHMAN[2] with no more than 8 credits earned through prior college/university attendance —	B. FULL-TIME TRANSFER[3] STUDENT with 44 or fewer credits accepted for transfer —	C. FULL-TIME TRANSFER[3] STUDENT with 45 or more credits accepted for transfer —
18 Q.P.'s	18 Q.P.'s	1.95 Cumulative Average

NOTE: To meet this requirement, students registering for 12 or more credits would have to earn at least 24 Q.P.'s. Students registering for 9 credits would have to earn 18 Q.P.'s; 10 credits — 20 Q.P.'s; 11 credits — 22 Q.P.'s.

[2](i.e., students registered for 9 or more semester hours)

[3]"Full-time Transfer Student" includes students transferring from other University of Maryland campuses. Grade Point Averages, Semester Hours Attempted, Semester Hours Earned, and Quality Points from the other campus(es) are included in all College Park calculations.

Forms to initiate these changes will be available at the Registrations Office Counter, 1st floor lobby, North Administration Building.

Refer to the organizational chart on page 9 and the code table on page 10 of this Schedule of Classes to verify that you have processed all the necessary changes and are using the correct codes.

ALL students must have 1) a division code, 2) a college code and 3) a major (course of study) code. Please make sure that you have a valid combination of all three.

If your major (course of study) comes directly under the jurisdiction of a division provost, your college code should be "99 — No College, Undergraduate"

CHANGE OF ADDRESS PROCEDURE

WHO?

ALL STUDENTS enrolled at the University of Maryland, College Park Campus.

WHEN?

Changes in either local mailing address or permanent address can be processed AT ANY TIME DURING THE SEMESTER THAT THEY OCCUR.

WHERE?

Address changes are posted to the computer by the Division of Business Services. Address Change Forms are available at the following places:

1. Division of Business Services, Address Unit, Room 1121 or 1103, South Administration Building, 8:30 a.m. to 4:15 p.m. Monday through Friday.
2. Registrations Counter first floor lobby, North Administration Building, 9 a.m. to 4 p.m. Monday through Friday.
3. Deans' or Provosts' Offices — 8:30 a.m. to 4:30 p.m. Monday through Friday.
4. STAR CENTER, Room 1122 Student Union, 9 a.m. to 4 p.m. Monday through Friday.

WHY?

Since many of the University's communications to students are handled through the mail, it is imperative both to the student and to the University that accurate and up-to-date addresses be maintained throughout the time of enrollment in the University.

Currently Registered Students — during the academic year the local address on file will be used for all mailings other than billings and grade reports. Grade reports and bills will be mailed to a student's permanent address.

Students Not Currently Registered — the permanent address on the file will be used for all mailings.

GENERAL ACADEMIC INFORMATION

The changes in academic information described on the following pages became effective August 1973 and are applicable only to course work for August 1973 and after.

REQUIREMENTS FOR RETENTION AND GRADUATION

1. A minimum of 120 credits of successfully completed (not I, F, or W) course credits are required for graduation in any degree curriculum. Credits transferred, or earned during prior admissions terminating in academic dismissal or withdrawal and followed by readmission, will be applicable toward meeting credit requirements for a degree.
2. A full-time student will be placed on academic probation at the end of any semester in which he does not achieve a total of 24 quality points for that semester. An exception to this rule will be made for full-time students registered for less than 12 credits at the end of the Schedule Adjustment Period (the close of the 10th day of classes) who will be required to earn: 18 quality points if registered for 9 credits, 20 quality points if registered for 10 credits; and 22 quality points if registered for 11 credits. Exceptions are also allowed for all full-time students in their first semester of registration on the College Park Campus, who must earn at least 18 quality points for that semester. This exception does not apply to students who have earned more than 8 credits through previous registration in the University.
3. Any student, full- or part-time, who fails to maintain a minimum *cumulative* average of 1.95 at the end of any semester following that in which the total of credits completed at the College Park Campus (with grades of A, B, C, D, P, S, or F), plus any credits transferred, is 45 credits, will be placed on academic probation. Credits completed with grades of A, B, C, D, and F, but not S, P, or I will be used in the computation of the cumulative average.
4. A student who does not meet the academic standards for any given semester will be placed on probation and must display acceptable performance in quality points and cumulative average (if applicable) during the next semester in order to regain good academic standing. A student who has not previously been dismissed will be dismissed at the end of the second consecutive, or fourth non-consecutive semester of unacceptable performance. Courses for which the mark "W" is recorded are excluded from computations of quality point and cumulative average totals at the end of the semester. However, such courses remain in computation of the minimum quality points a student is required to achieve based on registration at the end of the Schedule Adjustment Period.
5. A student who has been academically dismissed and who is reinstated, will be academically dismissed again if he does not meet the academic standards for any two additional semesters after his return. In the computation of his cumulative average after return, all credits attempted at the University of Maryland will be used.
6. When a student is placed on academic probation or is academically dismissed, the action shall be entered on the student's official and permanent record.
7. Any course may be repeated, but if a student repeats a course in which he has already earned a mark of A, B, C, D, P or S, the subsequent attempt shall not increase the total hours earned toward the degree. Only the higher mark will be used in computation of the student's cumulative average. However, the student's quality points in a given semester shall be determined by that semester's grades.
8. Any appeal from the regulations governing academic probation or academic dismissal shall be directed to the Petition Board, which shall be empowered to grant relief in unusual cases, if the circumstances warrant such action.

MARKING SYSTEM

1. The following symbols are used on the student's permanent record for all courses in which he is enrolled after the initial registration and schedule adjustment period: A, B, C, D, F, I, P, S, and W (Instructors are not permitted to change a grade of "W".) These marks remain as part of the student's permanent record and may only be changed by the original instructor on certification, approved by the department chairman and Divisional Officer, that an actual mistake was made in determining or recording the grade.
2. The *mark of A* denotes excellent mastery of the subject. It denotes outstanding scholarship. In computations of cumulative or semester averages a mark of A will be assigned a value of 4 quality points per credit hour.
3. The *mark of B* denotes good mastery of the subject. It denotes good scholarship. In computations of cumulative or semester averages a mark of B will be assigned a value of 3 quality points per credit hour.
4. The *mark of C* denotes acceptable mastery. It denotes the usual achievement expected. In computation of cumulative or semester averages a mark of C will be assigned a value of 2 quality points per credit hour.
5. The *mark of D* denotes borderline understanding of the subject. It denotes marginal performance, and it does not represent satisfactory progress toward a degree. In computations of cumulative or semester averages a mark of D will be assigned a value of 1 quality point per credit hour.
6. The *mark of F* denotes failure to understand the subject. It denotes unsatisfactory performance. In computations of cumulative or semester averages a mark of F will be assigned a value of 0 quality points per credit hour.
7. The *mark of P* is a student option mark, equivalent to A, B, C, or D. (See PASS-FAIL option). The student must inform the Office of Registrations of his selection of this option by the end of the schedule adjustment period. In computation of cumulative averages a mark of P will not be included. In computation of quality points achieved for a semester, a mark of P will be assigned a value of 2 quality points per credit hour.
8. The *mark of S* is a department option mark which may be used to denote satisfactory participation by a student in progressing thesis projects, orientation courses, practice teaching and the like. In computation of cumulative averages a mark of S will not be included. In computation of quality points achieved for a semester, a mark of S will be assigned a value of 2 quality points per credit hour.
9. The *mark I* is an exceptional mark which is an instructor option. It is given only to a student whose work in a course has been qualitatively satisfactory, when, because of illness or other circumstances beyond his control, he has been unable to complete some small portion of the work of the course. In no case will the mark I be recorded for a student who has not completed the major portion of the work of the course. The student will remove the I by completing work assigned by the instructor. It is the student's responsibility to request arrangements for completion of the work. An "Incomplete Contract" should be drawn up between student and instructor outlining these arrangements. A copy of this is to be filed in the Department Office. The work must be completed by the end of the next semester in which the course is again offered and in which the student is in attendance at the College Park Campus; otherwise the I becomes terminal (equivalent to W). Exceptions to the time period cited above may be granted by the student's Dean or Divisional Officer upon the written request of the student if circumstances warrant further delay. If the instructor is unavailable, the department chairman will, upon request of the student, make appropriate arrangements for the student to complete the course requirements. It is the responsibility of the instructor or department chairman concerned to return the appropriate supplementary grade report to the Office of Registrations promptly upon completion of the work. The I cannot be removed through registration for the course or through the technique of "credit by examination". In any event this mark shall not be used in any computations.
10. The *mark W* is used to denote that the student withdrew from a course in which he was enrolled at the end of the Schedule Adjustment Period. For information and completeness, the mark "W" is placed on the permanent record by the Registrations Office. This mark shall not be used in any computation of quality point or cumulative average totals at the end of the semester. However, this mark does not change the minimum number of quality points a student is required to achieve based on registration at the end of the Schedule Adjustment Period.
11. *Audit.* A student may register to audit a course or courses in which space is available. The notation AUD will be placed on his transcript for each course audited. A notation to the effect that this symbol does not imply attendance or any other effort in the course will be included on the transcript in the explanation of the grading system.

CREDIT BY EXAMINATION FOR UNDERGRADUATE STUDIES

The following statement was approved by the Board of Regents January 1974.

1. Credit may be earned by examination for any undergraduate course, for which a suitable examination has been adopted or prepared by the department granting the credit. When standardized CLEP (College Level Examination Program) examinations are available they may be used.
2. Any student may take a course by examination by obtaining an application form from Dr. Helen Clarke (Room 3151, Undergraduate Library), paying the requisite fees, and taking the examination at a time mutually agreeable to the student and the department offering the course.
3. The applicant must be formally admitted to the University of Maryland. Posting of credit, however, will be delayed until the student is registered.
4. Application for credit by examination is equivalent to registration for a course; however, the following conditions apply:
   A. A student may cancel his application at any time prior to completion of the examination with no entry on his permanent record. (Equivalent to the schedule adjustment period.)
   B. The instructor makes the results of the examination available to the student prior to formal submission of the grade. Before formal submission of the grade, a student may elect not to have this grade recorded. In this case a symbol of "W" is recorded. (Equivalent to the drop procedure.)
   C. No course may be attempted more than twice.
   D. The instructor must certify on the report of the examination submitted to the Registrations Office that copies of the examination questions or identifying information in the case of standardized examinations, and the student's answers have been filed with the Chairman of the department offering the course.
5. Letter grades earned on examinations to establish credit (if accepted by the student) are entered on the student's transcript and used in computing his cumulative grade point average. A student may elect to take an examination for credit on a "Pass-Fail" basis under the normal "Pass-Fail" regulations.
6. Undergraduate students may earn by examination no more than half the credits required for the degree.
7. Fees for Credit by Examination.
   A. Fees for CLEP (College Level Examination Program) and other standardized examinations.
      (a) Fees for these examinations are determined externally and are not altered by the University. Credits earned by taking such examinations are treated as transfer credits.
   B. Fees for University administered examinations to establish credit.
      (1) Full-time students are charged $30.00 for each course examination regardless of the number of credits. This fee is paid upon application for the examination and is not refundable regardless of whether or not the student completes the examination.
      (2) Part-time students are charged on the same cost-per-credit-hour basis as though they were taking the course in the regular manner.

PASS-FAIL OPTION DEFINED UNDERGRADUATE

1. An undergraduate who has completed 15 or more credit hours at the College Park Campus and has a cumulative average of at least 2.00 may register for courses on the PASS-FAIL option during any semester or summer session.
2. Certain divisional requirements, major requirements or field of concentration requirements do not allow the use of the PASS-FAIL option. Certain courses within a department may be designated by that department as not available under the PASS-FAIL option. It is the responsibility of each student electing this option to ascertain in conjunction with his Provost, Dean, department or major advisor, whether the particular courses will be applicable to his degree requirements under the PASS-FAIL option.
3. No more than 20 percent of the College Park campus credits offered toward the degree may be taken on the PASS-FAIL option basis.
4. Students registering for a course under the PASS-FAIL option are required to complete all regular course requirements. Their work will be evaluated by the instructor by the normal procedure for letter grades. The instructor will submit the normal grade. The grades A, B, C, or D will automatically be converted by the Office of Registrations to the grade P on the student's permanent record. In computation of cumulative averages a mark P will not be included. In computation of quality points achieved for a semester a mark of P will be assigned a value of 2 quality points per credit hour. The grade F will remain as given. The choice of grading option may be changed only during the schedule adjustment period for courses in which the student is currently registered.

GRADUATE — Not eligible for the PASS-FAIL grading option.

The division abbreviation in parentheses to the right of each department heading indicates the academic division under which that department is administered, e.g. (AG + LIFE SCI) above.

To relate a course to the General University Requirement areas, see the chart on page 8. "General Requirements — General University Requirements (G.U.R.)

The University reserves the right to change, eliminate, or modify course offerings when, in the judgments of University authorities, circumstances make such action necessary.

The information outlined in this publication applies only to registration in the regular day programs of the College Park Campus of the University of Maryland.

ADVISEMENT INFORMATION

INTRODUCTORY STATEMENT

UNDERGRADUATE — With the exception of new students, advisement is not a mandatory part of the undergraduate registration system. The decision regarding necessity of advisement is up to the student. However, all students are strongly urged to avail themselves of advisement as needed. It is of utmost importance for each student to become familiar with the degree requirements indicated in the Consolidated Undergraduate Catalog. If advisement is desired, advisors are available and anxious to assist the students. They are familiar with special degree requirements, course prerequisites and the general stipulations governing admission to courses which require permission of the instructor. Arrangements for advisement can be made through the department.

For additional information about advisors and advisement procedures contact the Undergraduate Advising Center, Room 3151, Undergraduate Library, or call x3040 or x2733.

Advisement is required for all first semester freshmen and transfer students.

GRADUATE — Graduate students preregistering or registering for courses must have the approval of their program advisors in order to make certain that the minimum Graduate School and program requirements are being satisfied, particularly in the case of degree seekers.

CREDIT LIMITS DEFINED

UNDERGRADUATE – limited to 19 sem. hrs.

Any exceptions must be approved by the Dean or Provost. Forms for this purpose will be available in the Dean's or Provost's Office and should be turned in with Registration Materials.

GRADUATE — limited to 15 sem. hrs.

GRADUATE STUDENTS with a Teaching or Research Assistantship — limited to 10 sem. hrs.

FULL-TIME STATUS DEFINED

Effective August 1973, official status (either full-time or part-time) for academic purposes will be determined on the basis of a student's registration at the end of the Schedule Adjustment Period. The Schedule Adjustment Period is defined as the first ten days of classes.

UNDERGRADUATE – Full-time – Registered for 9 or more semester hours at the end of the Schedule Adjustment Period. Note, however, that students on scholarships and grants are expected to maintain a semester credit load of 14 hours. If the registration of a student with a scholarship or grant falls below the required credit hours, the scholarship or grant is automatically cancelled. Cancellation of a scholarship or grant without subsequent payment of amounts due will lead to an indebtedness to the University. Such indebtedness can in turn lead to severance of services by the University.

GRADUATE — Full-time — Registered for minimum of 48 graduate *units* at the end of the Schedule Adjustment Period.

GRADUATE STUDENTS with Teaching or Research Assistantship — Full-time — Registered for minimum of 24 graduate *units* at end of the Schedule Adjustment Period.

TABLE FOR COMPUTING GRADUATE UNITS

COURSE NUMBER	GRADUATE UNIT
000-399	2 units per credit hr.

500-599	5 units per credit hr.
600-898	6 units per credit hr.
799	12 units per credit hr.
899	18 units per credit hr.

COURSE NUMBERING SYSTEM DEFINED

UNDERGRADUATE – eligible to register for courses numbered 000-499. Freshmen and sophomores may not take 300-499 numbered courses. Any exceptions require special permission from the Dean or Provost.

GRADUATE — eligible to register for courses numbered 400-899.

Junior	56-85 semester hours
Senior	86 to at least 120 semester hours

MATH 001* FOLA 001

Although these courses carry credit for billing and status purposes, they are regarded as having zero credit for academic calculation purposes. Therefore, these courses are excluded from the calculation of credits registered at the end of the Schedule Adjustment Period, from the calculation of quality points and from the calculation of cumulative grade point averages.

Math 001 fees are also discussed under "Billing Information — Other Fees" and "Refund Policy for Math 001."

WHAT'S NEW AND INTERESTING

DEPARTMENT OF ADMINISTRATION, SUPERVISION, AND CURRICULUM

EDAD 498A: THE LEGAL RIGHTS AND OBLIGATIONS OF STUDENTS AND TEACHERS (3). Students will be asked to analyze selected court decisions, federal legislation and executive guidelines regulating public education. Three interrelated questions will be addressed throughout the course: (a) what should be the appropriate policies for dealing with particular issues? (b) who should be invested with authority for making particular kinds of decisions? The right "who" may depend upon "what" it is that must be decided. (c) who are the proper defendants in damage suits for violations of individual rights: the individual decision makers or the educational entity which employs them? Particular topics may include speech and other forms of expression, suspensions, expulsions, search and seizure, tort liability for negligence (including educational malpractice), hiring, promotion, dismissal and nonrenewal of teachers. For students interested in higher education law, see EDAD 798E: Legal Aspects of Higher Education Administration. For further information, please contact Dr. Clague at 454-5766.

EDAD 499I: HIGHER EDUCATION: STUDENTS AND THE SYSTEM (3). Professor Carbone. Undergraduates spend four or more years of their lives at the university but how much do they learn about "the system"? How the university runs? Who runs it? Who pays for it? Tenure, how to get it and what it means? The Regents and what they do? Academic freedom? How collective bargaining is changing things? No prerequisites; undergraduates only; meets once a week.

EDAD 798B: CURRICULUM DEVELOPMENT AND RESEARCH IN THE OPEN SETTING (3). Professor Berman. An analysis of the meaning of the open setting or the open classroom, curriculum content and methodology appropriate for such a setting, and useful research procedure.

EDAD 798M: GENERAL SYSTEMS THEORY (3). This course is an introduction to general systems theory (GST) and cybernetics, with an orientation to the problems of organizations. The subject matter for the course is the unity of underlying principles and mechanisms of regulation, control, and adaptation in physical, biological, social, and symbolic systems. The course develops the concepts of equifinality, evolution, feedback, hierarchy theory, homeostasis, requisite variety and self-organization to provide an integrated conceptual framework for dealing with the dynamic behavior of complex systems. The conceptual framework is applied to problems of organizational analysis, design, and control. Major emphasis will be given to the organization attempting to accomplish a mission in an uncertain and unstable environment, including GST approaches to issues such as goal definition, accountability, and information systems for management decision-making. Professor Clemson.

EDAD 798R: SYMPOSIUM IN CYBERNETICS, INFORMATION SCIENCE AND SYSTEMS SCIENCE (3). An interdisciplinary seminar designed to permit explorations within the new system sciences. The intent of the seminar is to examine some of the existing frameworks which attempt to synthesize or develop general theories. Possible topics, depending upon participant interests, include: a general framework for adaptive processes, a general model of modelling, foundations of information science, hierarchical structure in natural systems, or cybernetic planning/control systems. The initial class(es) will be devoted to exploring participants' interests and choosing the topics for study. The sponsoring faculty are Dr. Clemson (Education), Dr. Heilprin (Library Science), and Dr. Sayani (Information Systems Management). The course is cross-listed as EDAD 798R, LBSC 726, and IFSM 788. Permission of one of the sponsoring faculty is required.

AASP 429M: HISTORY OF AFRO-AMERICANS IN FILMS(3 cr.) M. Tsomondo. A critical evaluation, through the use of films, of (a) the various aspects of the Black experience in North America; (b) the history, nature and patterns of the American perceptions and/or misperceptions of the Black experience and dilemma; (3) and the evolution of Black self-perception. Selected films will cover the following themes, among many others: slavery experience; Black situation, predicament and struggle from slave-ships to the present; and the manifestation and nature of intra-group dynamics and ideologies among Blacks from past to present.

AASP 300: THE BLACK COMMUNITY AND PUBLIC POLICY (3). A study of the role and impact of the black community in public policy formulation; scope and methods in public policy focusing on specific problems in the black community; analysis and review of relationships between the policy makers and the community. With permission of the program, students may elect to devote time to specific community projects as part of the requirements of the course. EXPERIENTIAL LEARNING PROGRAMS
454-4767

WHAT IS FIELD EXPERIENCE?
Field experience is one of the University of Maryland's most exciting learning opportunities. In our society, practical work experience is invaluable for entry and advancement in a career. We encourage you to get involved with this unique experience early in your University of Maryland education. Experiential Learning Programs (ELP) offers three major programs and directs students toward a number of additional options, all designed to give them first-hand experience within their areas of major concentration or interest.

MAJOR PROGRAMS:

— Volunteer Service/Learning
— Internships
— Cooperative Education (Co-Op)

VOLUNTEER SERVICE/LEARNING
We maintain a computer file of field experience opportunities in over 650 agencies which have expressed interest in working with University students. Using this "library" of contacts, students arrange agency placements relating to their interests — academic or otherwise. Volunteer experiences are introductory in that students can begin their first career-related position free from the complications of arranging credit or pay. They are advanced in that the placement is undertaken for no "rewards" except those of the experience gained.

INTERNSHIPS
An internship is a work experience granted academic credit by a University of Maryland faculty member in recognition of its learning value. As in the volunteer program, students search through our agency computer files for contact information about placement opportunities relating to their interests. Using this data:

(1) They contact agencies and arrange for part-time work placement
(2) They then negotiate with a University faculty member to obtain academic credit recognition of the educational value of the proposed experience. Usually the professor will want the student to produce some project connecting the student's work with the professor's academic discipline (e.g., a paper, a journal);
(3) After all details have been worked out, professor and student draw up an informal contract to ensure that both parties know where they stand.

COOPERATIVE EDUCATION
Cooperative Education is our most intensive form of learning by experience. Students alternate two semesters of full-time, fully paid work in business, industrial or government agencies with a semester of full-time study. What have they acquired at the end of this work-study-work sequence?

— They have gained experience in their chosen field which will do a great deal to introduce them into the job market.
— They have defrayed a good portion of their educational expenses with money earned.

ADDITIONAL OPTIONS

EXPO
Keep your eyes open for publicity announcing the ELP EXPO at the beginning of each semester. Representatives from all sorts of area agencies come together in the Student Union Grand Ballroom to talk to students about field experience opportunities.

FIELD EXPERIENCE COURSES.
Sometimes a professor will see a widespread need for field experience education in his academic discipline; or he may have professional connections with an agency willing to work with a number of students at a time. In such cases, his academic department faculty offers a field experience *course*. Just as with individual internships there are two parts to such courses:

(1) Work experience (generally volunteer) in business, industry, government, or social service agencies;
(2) Faculty supervision/consultation.

Check with ELP for an updated list of field experience courses being offered through many departments on campus.

How Bob and Jennie saved a lot of money, their record collection and their relationship.

By reading Warehouse Sound's free 1978 stereo catalog, that's how. Bob liked folk-rock loud and deep, while Jennie liked country high and sweet. They couldn't find a stereo system within their budget that could do both. You know how silly some arguments sound when they start . . . Meanwhile, their old record player was slowly ruining their collection.

In the nick of time the new Warehouse Sound catalog arrived in the mail: 64 pages of information on over 100 brands of stereo components with suggestions for ear-pleasing complete systems at all price levels. They found a music system that could satisfy Bob's bass desires and Jennie's high frequencies for a lot less money than they expected to pay. So far, they've lived happily ever after.

We've helped more than 100,000 people like Bob and Jennie in the seven years since the bright idea hit us: ship stereo components direct to the customer's home and eliminate the middleman's profit. The catalog is free. Our guide to stereo buying, ***The How To Hi-Fi Guide,*** is a dollar and worth it. So give us a try: see how many things **you** can save.

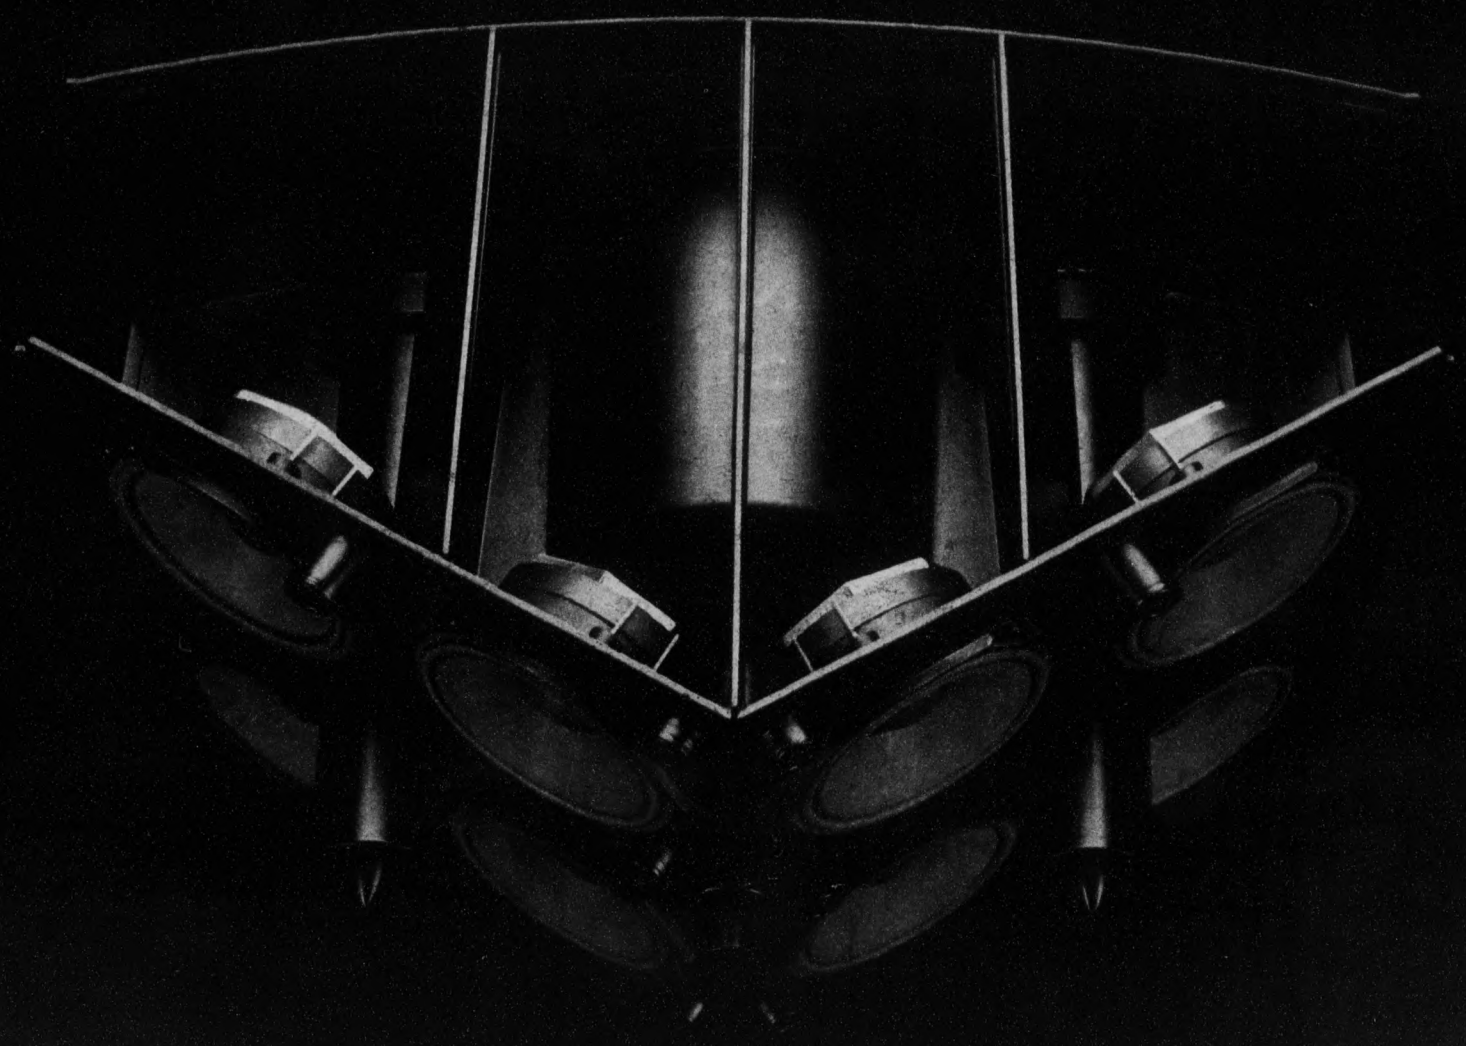
Space Voyager.



The new Bose 901® Series III is a loudspeaker system for the space age.

It reproduces music with a level of realism unrivaled by conventional speakers. Its performance is a result of proven Bose design concepts combined with a whole series of technological innovations, including the futuristic Acoustic Matrix™ enclosure pictured above, nine full-range drivers and an electronic active equalizer.

But most important, the 901 III is designed to explore the world of space in music that conventional earthbound speakers ignore.

Most speakers simply beam sound directly at the listener from a few woofers and tweeters mounted on the front surface of a wooden box. The 901 III, with its nine high-performance drivers mounted in the Acoustic Matrix enclosure, radiates sound forward, to the sides, off the back walls. The entire space is filled with sound—the sound experienced in a live concert hall.

Take your own voyage into space. Visit your nearest Bose dealer and listen to the 901 III and other Bose Direct/Reflecting® speakers. (See page 76 for a listing of Bose retailers in your area.)

Models 301, 501, 601 and 901 Series III. Prices from a little over $100.

Spatial Offer.

We're giving away six pairs of Bose 901 Series III speakers. Simply fill out this coupon and we'll send you a questionnaire. Based on your response to this questionnaire, we'll select six students to come expenses paid to Bose to participate in our university audio seminar (and pick up your free speakers). BOSE®

Better sound through research.

Patents issued and pending. Cabinets are walnut veneer.

You won't believe the sound. You'll never believe the price.

Magnavox Modulars. They're packed with everything that goes into super stereo—except a high price tag. For example, the 1725 has:

☐ a solid-state stereo FM/AM tuner-amplifier to pull in those weak stations you'd like to listen to, and to keep them from drifting;

☐ a 3-speed automatic turntable with diamond stylus and smoked plastic dustcover;

☐ a built-in 8 track recorder/player;

☐ a pair of newly-designed 2-way tuned-vent speakers to give you rich, deep bass with astonishing efficiency;

☐ a price that's surprisingly low for such high performance.

Why not stop by your Magnavox dealer and tell him you'd like big sound at a small price. He'll know just what to show you.
